MOTIVATION

I consider myself to be an enthusiastic, dedicated, and a responsible person. I will always conduct myself in a professional manner, which involves collaboration, teamwork, commitment, punctuality as well as initiative, mutual respect and personal effort.

My ambition is to be employed in a role that allows growth, stability and financial freedom. My pledge would be hard work, integrity, discipline, and an orderly approach to my duties. I believe that my determination to succeed as well as my ability to readily grasp new concepts will prove mutually beneficial and I hope that you will afford me the opportunity to be an asset to your company.
